

# PROTOCOL 2

## CAREER LAUNCH

### START PLANNING YOUR CAREER WITH AI. USE THE PROMPT BELOW TO START PLANNING YOUR CAREER.

I would like you to assume the role of a career counselor to help me plan the initial steps for a career as a [job title]. Begin by providing a career overview and a typical day in the life of someone in this role. Next, provide me with the best educational route to pursue this career. What educational organizations offer the best programs for this job? Try to base your feedback on job placement and industry recognition. List the key hard and soft skills for this role and online resources that I can use to gain these skills. Also, identify professional organizations that I can join to network and grow my skills and knowledge for this role.
